MADE IN NORRLAND

A caravan exactly as you want it

With seven models, three lines, and numerous options, you have nearly endless possibilities to get a caravan perfectly tailored to your needs. Feel free to seek assistance from Polar's dealers. They know all the possibilities and can give you excellent advice before your purchase. Good luck!

BLACK EDITION

Black Edition is the range for those who value functionality, comfort, and an easy-going caravan lifestyle. Available in 6 different versions.

BLUELINE

Affordable and well-equipped base model with an attractive optional package. Available in all standard layouts.

BLACKLINE

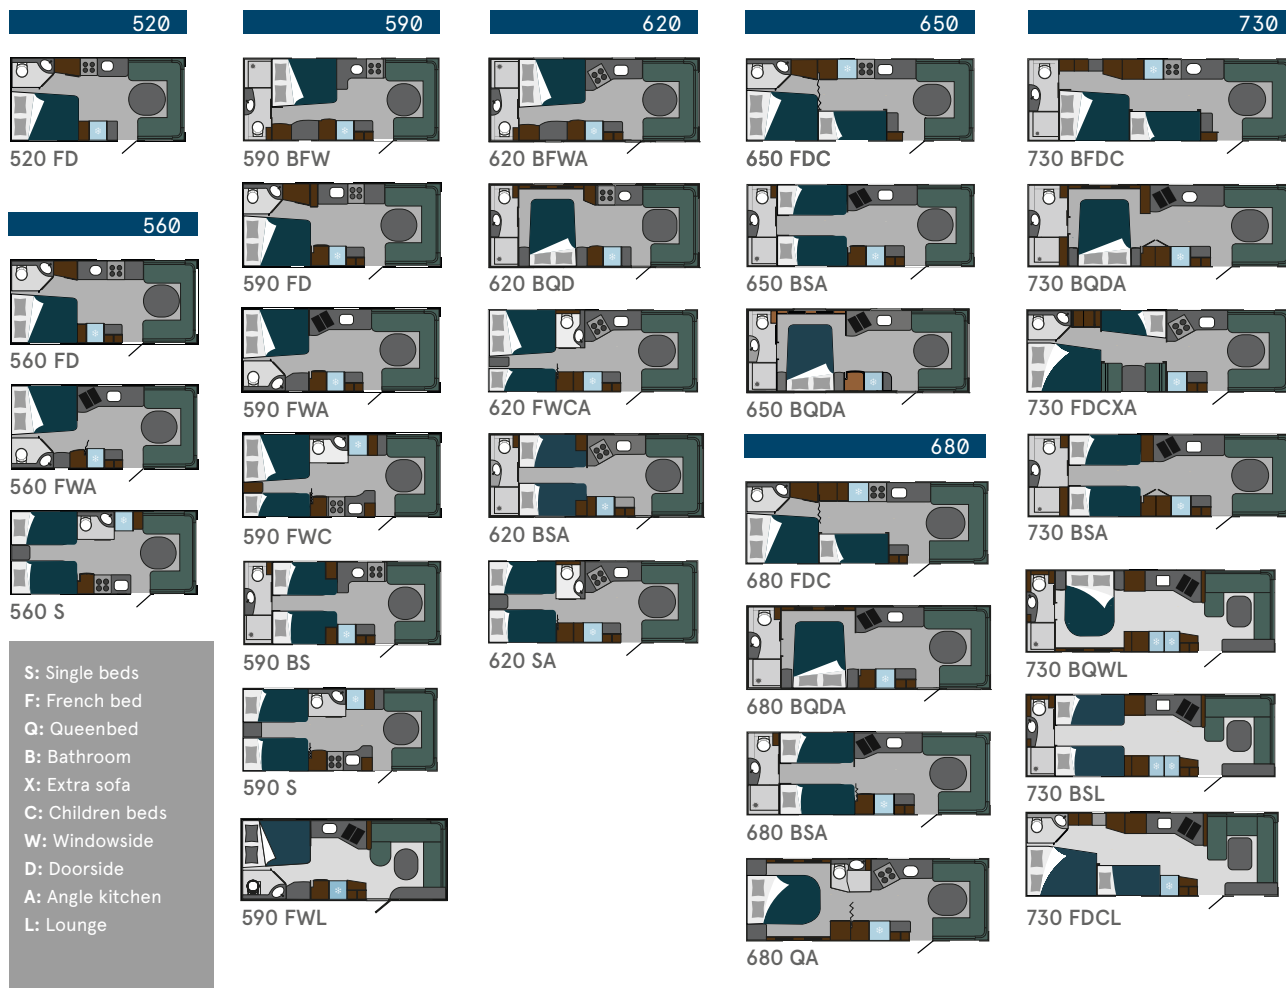

The line for those who want a little more and a little better. The equipment is selected and packaged to add an extra touch of luxury to your caravan life.

CHIMERA BY POLAR

Chimera offers caravan living on an entirely new level. Exclusive, fully equipped.

Floor plans

TECHNICAL DATA

Northern heart

The northern Swedish heritage runs deep in the DNA of Polar caravans. In the cold and harsh climate, there's no room for half measures. Materials must withstand persistent sub-zero temperatures, and vehicles must endure endless roads with frost heaves. Each caravan undergoes rigorous quality testing before reaching the buyer and comes with a 7-year leak guarantee. That's why the emblem "Made in Norrland" proudly adorns the caravans from Dorotea.

[POLARVAGNEN.SE/EN](https://polarvagnen.se/en)
